

PDX MINI
Presents
Evergreen Air Museum Tour

Saturday July 25 2009

Spread those MINI wings and fly away with us for a tour of the Air Museum in McMinnville. Now's the time for PDX MINI to experience the largest flying boat ever built, The Howard Hughes H4 (HK-1) Hercules (Spruce Goose) and a gathering of historic flying machines. Break loose those rudders, flaps up, tires warm, revs up, chocks out, taxi out, and lift off. We will be taking a moderate tour to the museum. Why? Because we just couldn't resist slapping on a driving tour to a social event.

Meet Up: 8:30am at the Albertson in West Linn . First cars out at 9am

Directions: Take the I205 exit 6 (10th street in West Linn). We will meet in the Albertson's parking lot, which is west of the freeway.

Cost of museum tour plus the IMAX Movie: is \$17.00 per adult, \$16.00 for seniors.

Fees: Checks need to be made to: **PDX MINI Club** at the time of the meet up.

RSVP to events@pdxmini.org Deadline is Friday **July 17th**.

Please let us know the following:

1. how many cars
2. how many people will be attending.

RADIOS: We will be running with FRS/GMRS radios on Channel 7-Subchannel 21. **ALL CARS NEED A RADIO ON RUN.** *We do not have a lot of spares at this time so new members will have priority.*
