Presents
Olympic Peninsula Twilight Tour

October 9th - 11th, 2009

Wow! Can you believe this event brings us to the end of the driving season? This is a trip not to be missed and sure to be talked about for years to come. Set on the Quileute Indian Reservation in La Push surrounded by the natural beauty of the Olympic Peninsula rain forests & Pacific Ocean you can experience fresh-from-the-sea salmon, delicious halibut, succulent crab, traditional smoked fish, and other delicacies when in season. You will be enjoying late night fires on the beach, cozy cabins with wood burning fireplaces and the company of likeminded MINI enthusiasts. Hike trails through an ancient forest where time stands still, fly kites on the beach, build sand castles, and explore rocks. And for the Twilight fans, go on a tour of the sites or just cruise around in your MINI checking out the town of Forks. Of course, to get there we will have to suffer the highways so you can enjoy the tranquility of the area as long as possible.

You do not want to be the person sitting there saying “I wish I had gone on that trip”.

Important Notice on Hotel Accommodations: We have secured 3 more cabins (New Construction with gas fireplaces) and 4 more hotel rooms! This is it. When these are gone, we are full. We have secured the only cabins and hotel rooms left available at this location. This will be done on a first come, first served basis. Since the accommodations are limited for this event we require a commitment on your part. There are single, two bedroom and three bedroom units. Select from the room chart, get your roomies lined up and if you need assistance contact the events coordinator at events@pdxmini.org for match ups. Whatever your decision, the full amount of room charges must be paid in advance. The check *must* be received no later than **August 22nd**. After that date there will be no refunds.
