

PDX MINI  
Presents  
**Dirt Track Racing**

**Saturday August 28<sup>th</sup> 2010**

Let's get ready to go Dirt Track Racing! Ok well, not so much you and your Mini we will just watch over 100 cars compete for Championship points in the Late Model, Street Stock, Pure Stock, Modified, 4-Bee, Women's, and Tracer divisions. But isn't that enough? We will be heading to the Sunset Speedway, a 1/3rd mile clay dirt track located in Banks. They have come far from the seating that consisted of logs with wood planks and now have a shiny new grandstand to view the action. Due to the cold evenings, the race season has been moved up earlier in the day to accomodate the fans. It doesn't get any better than this.
