

PDX MINI Presents

July 24th & 25th 2010

10:00a.m to 10:00a.m

You never know how **STRONG** you are...until being strong is the **ONLY** choice you have.

Our Reason to Relay

Join us at the American Cancer Society Relay For Life® or make a donation to our team and help us support the fight against cancer! This year's theme is Hope Floats. Debbie Smith has graciously volunteered to be our team captain.

Cancer touches all our lives and fighting it is a team effort. The impact we can make together is much greater than what any of us could do alone. By supporting our team, you will be a part of a life-changing event that celebrates the lives of those who have battled cancer, remembers loved ones lost, and empowers all of us to fight back against a disease that takes too much.
