

**PDX Mini  
Presents**  
**Put the Kart before the Horse**

**SUNDAY March 11 2012**

It's not quite driving season, we have all been dare I say just commuting, and our driving skills need a little polishing. Everyone says our cars are like go karts, so why not see. It is time for you to experience indoor racing and scratch the ole driving itch in the process. Get ready for a thrilling ride an inch off the ground at 30-35mph in one of the best Indoor Go-Kart tracks at Sykart! Known for their zippy driving dynamics you will experience the thrill of fast indoor go-karting and race competitively against other Mini Drivers.

Who will own the bragging rights as the fastest? Come on, show us what you got! The best part, you can go as much as you want. Each lap is logged and everyone gets a race printout at the end, just to keep track of who really won the race. Let's get ready to Go-Kart.

**Here are the rules:**

We will be participating in the ten-minute race session with other karts all competing in head to head racing. You **must** have a valid driver's license. Please bring your own helmet if you have one. If you don't, don't worry. They have helmets for you to use. You will just need to pay \$2.00 for the hygienic helmet liner. Now for the details...
